

TENT REFERENCE GUIDE

POP-UP & CANOPIES

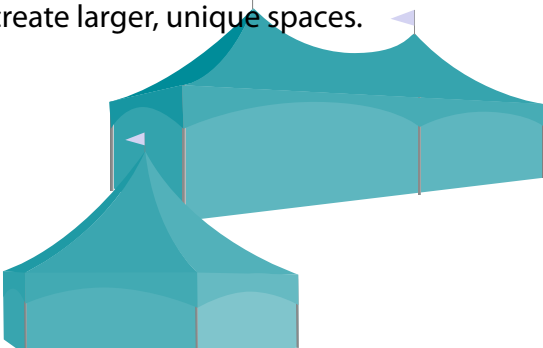

Instant Pop-up tents and Canopies are portable shelters that collapse down to a size that is portable. They are easy to set up and take down.

Tent Size	Square Ft	Standing	Cathedral Seats	8' Rect. Table Seats*	5' Round Table Seats*
10' x 10'	100	16	14	8 to 10	8

20' x 40'	800	133	112	64 to 80	64

FRAME TENTS

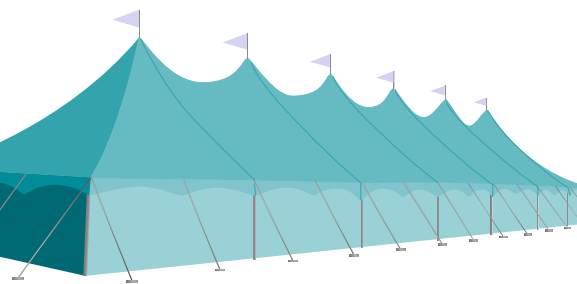

Our Frame tents are designed with no guy ropes or pole in the center of your tent and the baton-tension walls create a taut sleek look. The Frame tents also have a sliding wall which opens and closes much like a shower curtain giving you the option of easily closing the entrance if a summer storm blows in. The tents can also be joined together to create larger, unique spaces.

CLEARSPAN TENTS

Our brand new line of Clearspan Tents provide a more open space than our Frame tents with a higher peak and 10' walls. These tents provide a clear, open space for events and are completely free of interior supports and exterior guy ropes. Add a clear top to your tent which allows you to dance under the stars while being protected from the elements.

* Numbers based on 8 to 10 people per 8' rectangular table and 8 people per 5' round table, please note that round tables take up more room than rectangular tables.
 * Numbers are approximate and are based on full capacity. The numbers do not include room for dance floor, DJ booth, Bar, etc. If having a catered event we suggest a separate tent for the caterers to set up in.
 * Approximate square footage needed for additional items.
 Dance Floor - 5 sq.ft. per person (On average only 50% of guests will use the dance floor.)
 DJ Booth - 200 sq.ft.
 Bar Area - 100 sq.ft.
